## Warranties and Installation

Product colours are an approximation only and colour appearance will vary.

Manufacture provides comprehensive Performance Warranties, including a 20 Year Wear Warranty, 20 Year Anti-Static Warranty and a 20 Year Anti-Stain Warranty. Due to dye lot variations, actual material may vary from sample. It is recommended that this carpet be laid in accordance with AS2455. For conventional installation heavy duty underlay is recommended. Manufacture does not recommend the use of Hair Felt Underlay's. Seam Sealer must be used on all seams and cross joins. Chair mats are mandatory. Professional cleaning is recommended. Construction of this carpet may involve the occurrence of shift lines across the width of the carpet. Certain light sources shining across the carpet surface may emphasise these lines by forming shadow lines. This effect is not a manufacturing defect and will not detract from the carpets performance. Manufacture reserves the right to modify specifications subject to manufacturing variances. Manufacturing processes may necessitate specification changes without prior notice and without prejudice.

*Carpet is Australian Made.*
